REFERENCE: AMENDED STATEMENT OF ORGANIZATION, RECEIVED 11/22/2011

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Line 5(c) of your Statement of Organization indicates that your committee is a committee who supports/opposes only one candidate, and is not an authorized committee; however based on your previous filing(s), your committee appears to be a nonconnected committee. Please be advised, if your committee supports/opposes more than one Federal candidate, and is not a separate segregated fund or a party committee, an amended Statement of Organization should be submitted which indicates the appropriate Type of Committee on Line 5(f). If your committee supports/opposes only one candidate, and is not an authorized committee, please identify the name of the candidate. Please amend your filing to provide clarifying information. 11 CFR §100.5(2)

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
